

XATS 900E ELECTRIC PORTABLE COMPRESSOR

When you have the power to choose...

Sustainable Productivity

Atlas Copco

CHOOSE THE POWER OF **ELECTRIC!**

The **XATS 900E** electric portable compressor is our latest innovation in compressed air. A combination of smart engineering, time tested technology and quality components all add up to a solution with extreme versatility, which is suitable for a wide range of applications.

Perfect for sites and applications where there is a ready supply of power, the **XATS 900E** is easy to install as it requires no additional foundations. The corrosion resistant canopy of the compressor is designed for use in all weather conditions, without the need for additional rooms and enclosures.

Compact, lightweight and easy to move, coupled with outstanding ruggedness and durability make the **XATS 900E** an excellent choice for rental fleets and customer sites. Further options, such as skid or undercarriage only add to the portability of this efficient, low-noise compressor.

The **XATS 900E** is an outstanding choice when it comes to setting up an efficient job site. Delivering compressed air from 7 to 10 bar (100 to 150 psi) with a flow of up to 25 m³/min (900 cfm).

TECHNICAL DATA

Model		XATS 900E	
Nominal effective working pressure	bar(e)	10	
	psig	150	
Free air delivery*	cfm	900	
	m ³ /min	25	
	l/s	420	
Sound pressure level (LPA) at 7m (23ft)**	dB(A)	73	
Max. ambient temperature	°C	50	
Main motor – WEG			
Power	kW	160	
Voltage	V	380-575	
Frequency	Hz	50/60	
Efficiency		IE3	
Weight and Dimension		Skid	Undercarriage
Length	mm	3378	4623
Width	mm	1190	2070
Height	mm	1663	2321
Weight	kg	2963	3511
	lbs	6532	7741

* Unit performance measured according to ISO 1217, Ed. 3, Annex C - 1996

** Measured according to ISO 2151: 2004 using ISO 9614/2

ISO STANDARDS

- Atlas Copco's fully implemented Quality Management and Environmental Management systems in the design and manufacturing of these units fulfill the requirements of ISO 9001 and ISO 14001. The range has also been tested / given the certificate tested according to ISO 1217.

OPTIONS

- Undercarriage with parking brake and jockey wheel.
- Customized colours.

XC2003 CONTROLLER

The compressor is equipped with an intuitive **XC2003 controller** that allows ease of operation.

Atlas Copco

SILENCED CANOPY

Tough, silenced canopy with **corrosion resistant protection** ensures durability and performance even in the harshest environments. No dedicated compressor room or enclosure required.

LARGE DOOR PANELS

For **easy access** and single side service.

BUILT IN AFTERCOOLER

Reduces compressed air **temperature** and prevents moisture build up in air lines.

SPILLAGE FREE FRAME

Prevents **soil contamination** while allowing safe and smooth movement across any surface.

THE POWER OF ELECTRIC

 UP TO **50%** SMALLER
THAN CONVENTIONAL COMPRESSORS

 RUNNING COSTS CAN BE REDUCED BY UP TO **50%**

 UP TO **33%** LIGHTER
THAN CONVENTIONAL COMPRESSORS

 **REDUCED MAINTENANCE TIME AND COSTS**

 **NO EMISSIONS**

 **POWER-FLEX FRAME TO ENSURE EASE OF MOVEMENT AND SAFETY**

* Comparisons made will differ depending on model. Please consult a sales representative for more details.

PORTABLE ENERGY SOLUTIONS PORTFOLIO

AIR COMPRESSORS

READY TO GO

- 1-5 m³/min
- 7-12 bar

VERSATILITY

- 7-22 m³/min
- 7-20 bar

PRODUCTIVITY PARTNER

- 19-64 m³/min
- 10-35 bar

Diesel and electric options available.

GENERATORS

PORTABLE

- 1,6-13,9 kVA

MOBILE

- 9-1250* kVA

INDUSTRIAL

- 10-1250* kVA

*Multiple configurations available to produce power for any size application.

DEWATERING PUMPS

ELECTRIC SUBMERSIBLE

- 275-16500 l/min

DIESEL DRIVEN CANOPY

- 833-9833 l/min

DIESEL DRIVEN OPEN FRAME

- 3300-7500 l/min

LIGHT TOWERS

LED

METAL HALIDE

SOLAR

COMMITTED TO SUSTAINABLE PRODUCTIVITY

Atlas Copco's Portable Energy division has a forward-thinking philosophy. For us, creating customer value is all about anticipating and exceeding your future needs – while never compromising our environmental principles. Looking ahead and staying ahead is the only way we can ensure we are your long term partner.
