

SATELLITE

760-6 Generation 3 DIAMOND GRINDER

The all NEW **Satellite 760-6 Generation 3** is the workhorse of the industrial coatings industry, it is incredibly tough, and productive.

Satellite 760-6 Generation 3 can use diamond discs 125 and 175mm; plus diamond plugs which are excellent for glue and coatings removal because they will grind down into the low areas without removing so much concrete. Discs will make floors flatter than plugs

- Floorex HVA Meter - Showing
 - Hour Meter (Total Run Hours)
 - Voltage at Machine
 - Current (Amps)
 - Load % with Bar Graph
- NEW Lifting Point
- Cable & Vac Hose Management System
- NEW EASY Axle Height Adjustment System
- IMPROVED Handle Lock Mechanism

Can also be used wet!

Use along with the Dustmaster RP 3000 or Delfin Dust Extractors for excellent and effective dust control. (Pages 120-123)

Variable speed is also available on the **Satellite 760-6 Generation 3**.

SAT-760-6G3	760mm Dual Head 6 Disc Grinder - three phase
SAT-760-6G3-S	760mm Dual Head 6 Disc Grinder - three phase - Variable Speed - optional
	<ul style="list-style-type: none"> • Machine is supplied with 2 x 25kg weight - used to vary weight on tooling • Cyclo Transmission has 5 year warranty. • Takes 125mm & 175mm Discs and Taper Plugs • Takes 16#, 60#, 120#, 220# marble polishing stones • Bushhammers
