

WELCOME TO THE KANGA FAMILY

CONGRATULATIONS ON GIVING YOUR BUSINESS THE KANGA **ADVANTAGE**

Get ready for your life to become a whole lot easier!

Kanga is approaching its 35th year as the innovator for design and manufacture of multi-task skid steer loaders. From the original motorised wheel barrow design to current models, Kanga Loaders' priority is to produce innovative designs and ensure high quality fabrication. Kanga Loaders has developed a reputation as 'the' premium skid steer loader on the market and continually demonstrates superior performance within its class and comparability amongst its larger rivals.

By purchasing a Kanga you have shown that you mean business! Professional, quality jobs are imperative as is a reliable, rugged machine that you can rely on day in day out. Your Kanga will become your new best mate, and will not let you down.

Now go and get dirty.

KANGA SERVICE

Kanga's service programs ensure equipment reliability that results in less downtime, increased productivity and performance, lower cost of ownership and longer machine life. Furthermore, as inventors of the skid steer loader, the Kanga Team has in-depth knowledge and expertise that makes our servicing like no other. Reliability is also bolstered by the fact that Kanga equipment is made in Australia at our production facility. This gives Kanga control over quality workmanship as well as the ability to customise features for specific tasks or to problem solve.

With a fleet of fully equipped service trucks, there is no need to waste down time on your job site when we can come to you! Our technicians are fully trained to perform mini loader and attachment repairs on site at a place and time convenient to you. Our goal is customer satisfaction and machine reliability.

To find out more about getting your Kanga serviced, call 1300 4 KANGA today. You will receive maintenance tips and up-to-date technical information on the best way to service your KANGA, by professional and 'Down to Earth' service technicians.
