

DANGEROUS GOODS AND LIQUIDS STORAGE

IDEAL FOR CLASS 3 DANGEROUS GOODS, FLAMMABLE AND COMBUSTIBLE LIQUIDS

Store your Class 3 dangerous goods safely and securely with Royal Wolf dangerous goods storage units. Features include bunded floor, with galvanised grate flooring, lockable valve and ventilation. Ideal storage for Class 3 flammables — paint and thinners, oils and diesel. Compliant with AS-1940-2004, they come complete with relevant safety signage. Portable and robust, these units are available with flexible rental and purchase options and have the additional benefit of being delivered direct to your site.
