JOBSITE ON A BUDGET

FORMIT COMPAC PORTABLE TOILET - LIGHT BLUE

Introducing the Formit Compac, the new single-skinned budget model designed specifically for the Australian budget market in mind.

Lightweight and durable, it is one of the most affordable toilets on the market, but there has been absolutely no compromise on quality. The Formit Compac boasts an impressive 265 litre waste capacity, UV resistant single-skin walls and an all-new aesthetically pleasing look.

The Formit Compac uses advanced design characteristics of a one-piece bowl and base construction - which means assembly has never been easier!

With a range of optional extras available including fresh water flush, top-lifting system and a range of colours to choose from, the Formit Compac has all your needs covered - while on a budget!
